

About Genpharmasec Limited-

Since 2018, the Company is engaged in the business of buying, selling and distributing agents of all kinds of pharmaceutical, medicinal and medicated preparations. In 2019, the company decided to shift its core competence to the lucrative medical & diagnostics device segment.

Our Company is engaged in the distribution of lucrative medical and diagnostics device segment. Our Company believes in providing best and new technology based medical and diagnostics device.

The Company entered into a Distribution Agreement with Abbott Point of Care, USA for distribution of i-STAT Analyzers and its Cartridges all over India since 2019.

The Company also entered into a non-exclusive Supplier Agreement with Amneal Pharmaceuticals, Inc. (AHPL) to sell to wholesale pharmacist and/or retail pharmacist the products which are manufactured by AHPL and its third-party contract manufacture or third-party licensors.

Headquartered in Mumbai, the company plans to rapidly expand & increase its product portfolio under the said segment over the period of time. We are presently catering to various States namely, UP, MP, Chhattisgarh, Bihar, Jharkhand, Punjab, Delhi, Assam, J & K, Gujarat, Maharashtra, Karnataka etc.

DIRECT IMPORT FROM ABBOTT, USA

Genpharmasec Limited has started importing i-STAT Analysers directly from Abbott, USA, which will strengthen Company's bottom-line in the coming years.

IMPORT LICENSE FOR IMPORT OF CARTRIDGES FOR i-STAT ANALYSERS:

Genpharmasec Limited has already received Import License from Central Drug Standard Control Organisation (CDSCO), Ministry of Health & Family Welfare, GOI for import of 14 Types (fourteen) of Cartridges which are required for i-STAT Analysers.

PLANS FOR HAVING ITS OWN MARKETING TEAM TO MARKET ABBOTT PRODUCTS:

Genpharmasec Limited will now increase its focus on creating high value propositions for all hospitals in India for all their Critical Diagnostic Requirements. To Increase the footprint in the country & improve access to Critical Diagnostic Solutions in Tier-2 & Tier-3 towns and in order to give further boost to the sales, Genpharmasec Limited is planning to appoint their own marketing executives to begin with, in the Western Region for aggressively marketing i-STAT Analysers. This will help us increase our sales turnover exponentially.
